“Honey Bee Music and Dance Camp

On behalf of our daughter, Arianna, we wanted to send a thank you letter for the great camp that you put on in August. Arianna has been playing the violin for just over two years and really wanted to attend a music camp over the summer. Through the Saskatchewan Orchestral Association, we learned about the Honey Bee Music and Dance Camp and decided that the camp offered a variety of activities for our daughter as well as an excellent opportunity to enhance her violin knowledge.

To say that Arianna had a great time would be an understatement, she has talked constantly of her week in Tisdale, the friends she met and level and variety of music she was exposed to. Immediately at the conclusion of the camp, Arianna was already talking of next year and returning to the camp.

From a parents’ stand point the camp was well organized and to see our daughter playing the best violin of her limited years of experience made us tremendously proud. As a Board member of the Moose Jaw Youth String Orchestra, I have passed along these feelings to many in our organization and hope a few more of our members will join us in Tisdale.

Again, on behalf of Arianna we wish to say thank you for a job well done and see you next year.

*Thank you,
Paul, Daphne & Arianna Tonner”*
